

# ONE MINUTE HERE...

ein audiovisuell coroneskes musikprojekt

March 16, 2020:

all schools are closed, cultural life is restricted immediately.  
The Covid-19 pandemic is pervasive, worldwide ...

That makes us think, observe, hold on. Preserve creativity.  
With this motivation came the idea for the multimedia art project ONE MINUTE HERE ...,  
A multimedia project by „Arbeitskreis Bremer Komponisten & Komponistinnen“ ([abk-ev.de](http://abk-ev.de))

During the shutdown we created 40 minimal music videos . For one minute, these miniatures present a place or a situation in slow motion. Mostly local from here in Bremen, but in addition some international video recordings were included - that shows the global extend. The ABK composers were inspired by the sequences and composed exclusive the miniature soundtracks.

As a result, there is a lot to discover: exciting, sad, strange but also funny things.  
This is certainly a special time that we will remember for a long time.

We would like to invite you and share these minutes with you.  
It will be first **YouTube premieres here** every Sunday, **8.00 p.m. (CEST)**  
starts on May 31, 2020 - there will be 2 episodes per broadcast.

Later there will also be an exclusive **One Minute Here Vimeo channel** as a collection. At the end there will be a real concert as part of the „Bremer Hausmusikwoche“ in the concert hall of the University of the Arts in Bremen / Germany.
